The Health Care Reform Act: What Lies Ahead

Join Schenck for this informational presentation to review some of the health care reform provisions that are effective starting in 2013 and beyond. While many of the provisions were effective prior to 2013, it is now time to focus on those that will impact you and your business in 2013 and 2014.

Topics include:

- Individual Mandate: Tax on individuals for failing to carry health insurance
- New fee imposed on self-insured health plans, FSAs and HRAs
- Medicare tax on investment income
- Additional Medicare tax on wages and self-employment income
- Employer Shared Responsibility Payment: Penalty for certain employers for failing to offer any or affordable health insurance coverage to employees
- Insurance exchanges
- Overview of benefits/insurance changes including effective dates
